GENERAL NOTICES

Church booking arrangements

Throughout May please will you contact Val Faint if you would like to attend church. Her email address is: valeriefaint8@btinternet.com and her telephone number is 01132663433

Please note that the contact for booking may not be the same every week so please look at the notices to check who it is.

Sound System in Church – the new sound system has had a few teething problems and we offer apologies for this. The team has worked hard to understand it all as it is a steep learning curve. Alan Wittrick has spent a lot of time liaising with Charley Brown (the installer) and we think it is now working well, fingers crossed. So we thank everyone and particularly Tanya and Alan for their patience in teaching the team. So we go onwards and upwards. Thank you for your patience too.

Zoom Training – we are creating a team of people who are able to operate the zoom for services or assist with the zoom. There is as much training as you need available for as long as you need. If you might be interested please contact me on suewittrick@yahoo.co.uk and we can arrange a discussion. Sue Wittrick
